---

In compliance with the requirements of Regulation (EC) 2016/679 of 27 April 2016 on the protection of personal data (hereinafter referred to as "the Regulation", in force from 25.05.2018) and the requirements of the Bulgarian legislation, we inform you that our customers' personal data is collected on basis of the Business Incubation Contracts concluded and the Act on Business Intelligence obligations and contracts.

The goals of data processing are to identify our customers and provision of services. Data is stored for the period of the effect of the contract concluded with the company, as well as within the terms, determined according to the Accountancy Act (10 years from 1 January of the reporting period following the reporting period for which it is held after), and in the case of financial obligations – to their final settlement and in accordance with the limitation periods set forth in the Law of obligations and contracts.

For our data collection, processing and storage we use a modern software with a high level of security to protect against unauthorized access, ensuring the collection and processing of personal data in a minimum volume.

You have the right to access your personal data with right to correct them, right of portability, right of appeal, according to article 77 of the Regulation as well as all other rights set out in the Regulation.

**With respect,**

**The team of "Connected" Ltd.**
